Notwithstanding the optional purchase of Additional Passenger Passes, if a second rider or passenger is included in the vehicle entrance fee, the second rider or passenger must be in/on the vehicle at the time of vehicle entrance. Vehicles may not depart until directed by show staff, who will begin marshaling vehicles out safely and efficiently at 4:00 PM. To avoid delaying others, participants must return to their vehicles by 3:00 PM. All participants are expected to follow staff instructions for safety and event flow. Organizers reserve the right to remove any participant or vehicle for non-compliance with event rules, without refund.

Trophy Class Registration:

Get your vehicle in the right spotlight! Our Trophy Class Registration lets you sign up ahead of time by checking the boxes for any trophy categories your car, truck, or motorcycle qualifies for — pick as many as apply! This helps our judges place your ride in the correct classes — like keeping Fords with Fords and Chevys with Chevys — so you're judged fairly and accurately.

This registration is optional, but if you're aiming for a trophy, check all applicable sections below (e.g., a tractor can enter Best in Show, All Vehicle Types, and Tractors). Selections do not guarantee judging in all categories, as judging is subject to event discretion and category applicability. Complete the selections below to ensure your vehicle gets the recognition it deserves!
